# YOUR MOBILE POINT OF SALE IN PEAK TIMES

/ MOBILE AND EASY:  
FAST PAYMENT

ON THE SPOT  
FOR YOUR CUSTOMERS

# EASY COME EASY GO!

/ On the spot at events or in rush hour

Scheidt & Bachmann offers easy come and easy go payment: everywhere at any time. Especially in times of heavy traffic – at rush hour or special events – car park management is a challenge for both operators and customers. entervo smart cashier eases any distress at once. The mobile point of sale enables operators to offer payment on the spot – easily by mobile phone.

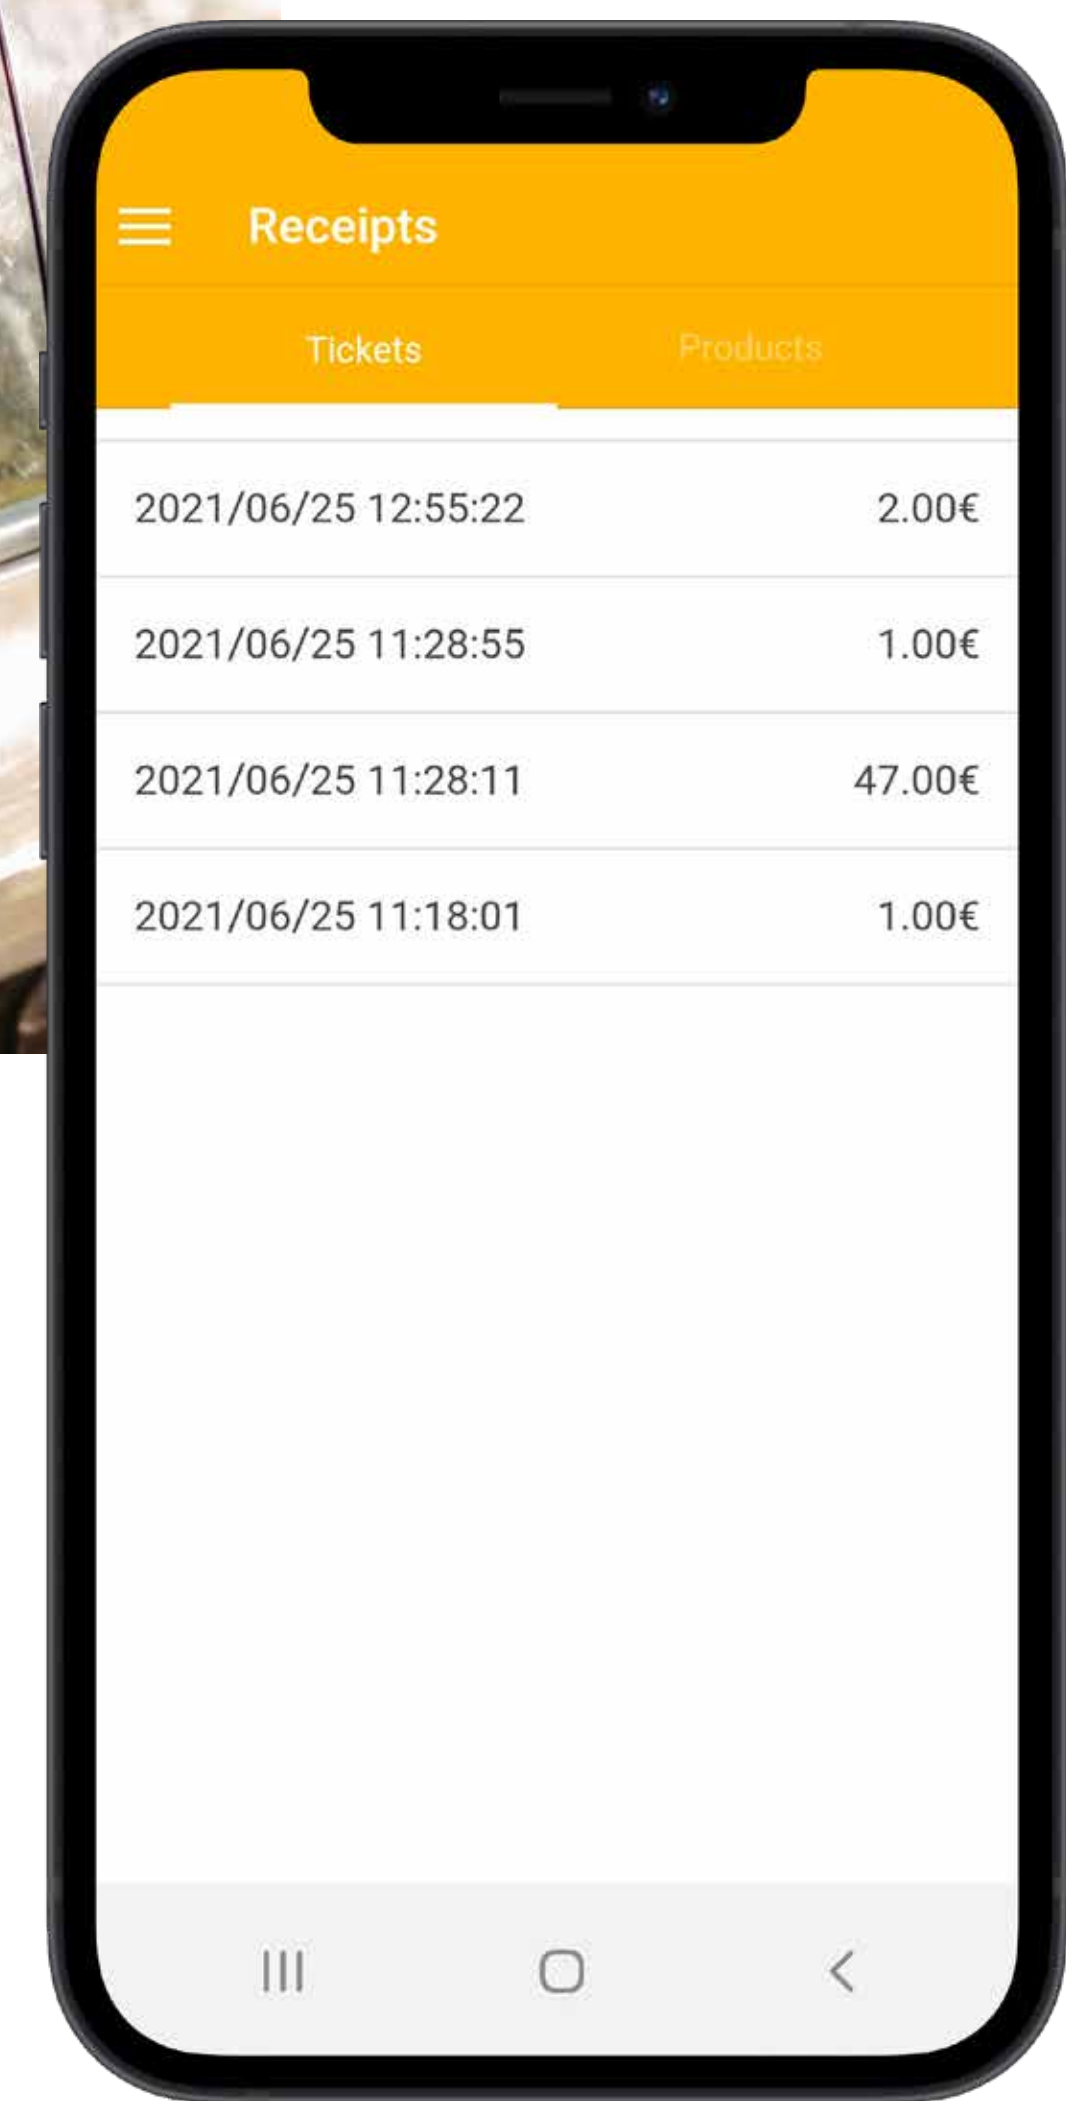

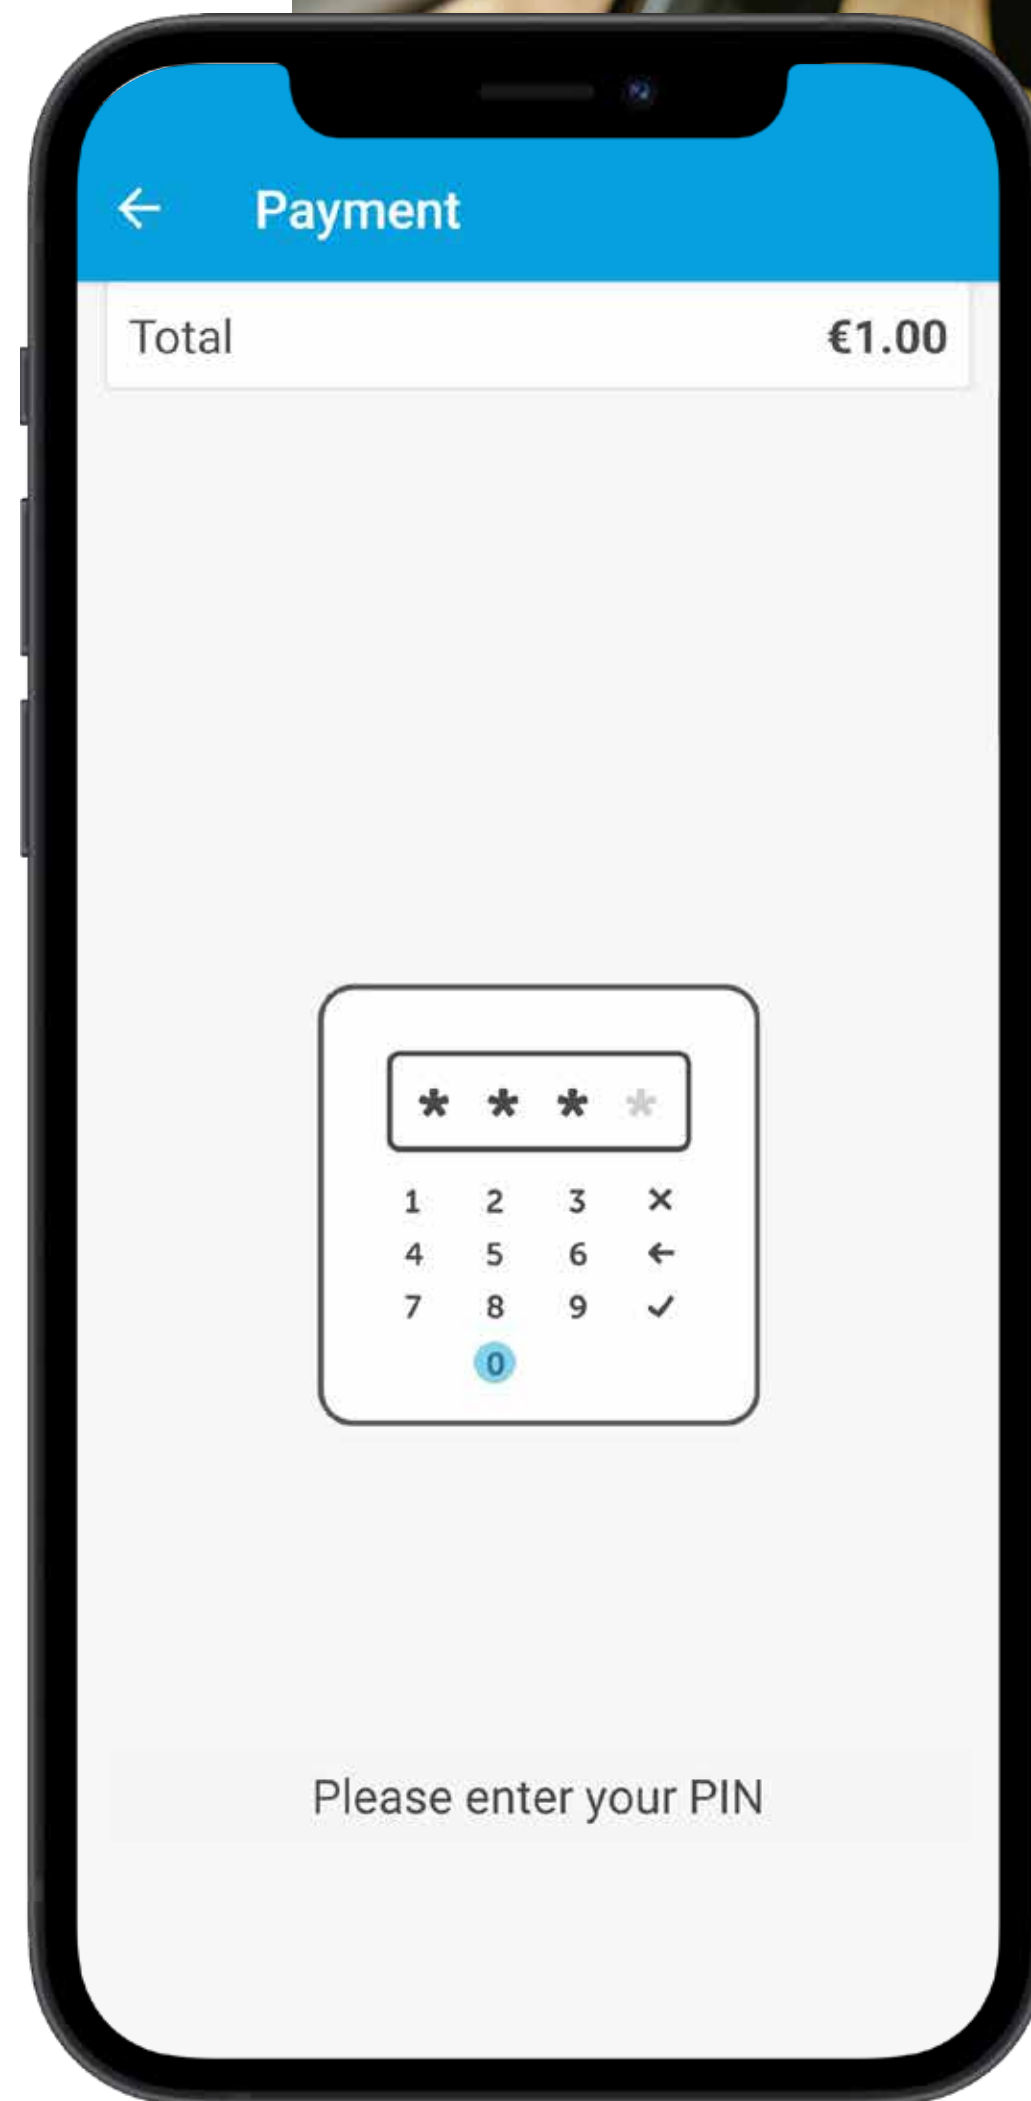

**No more queuing. Make your customer happy!**

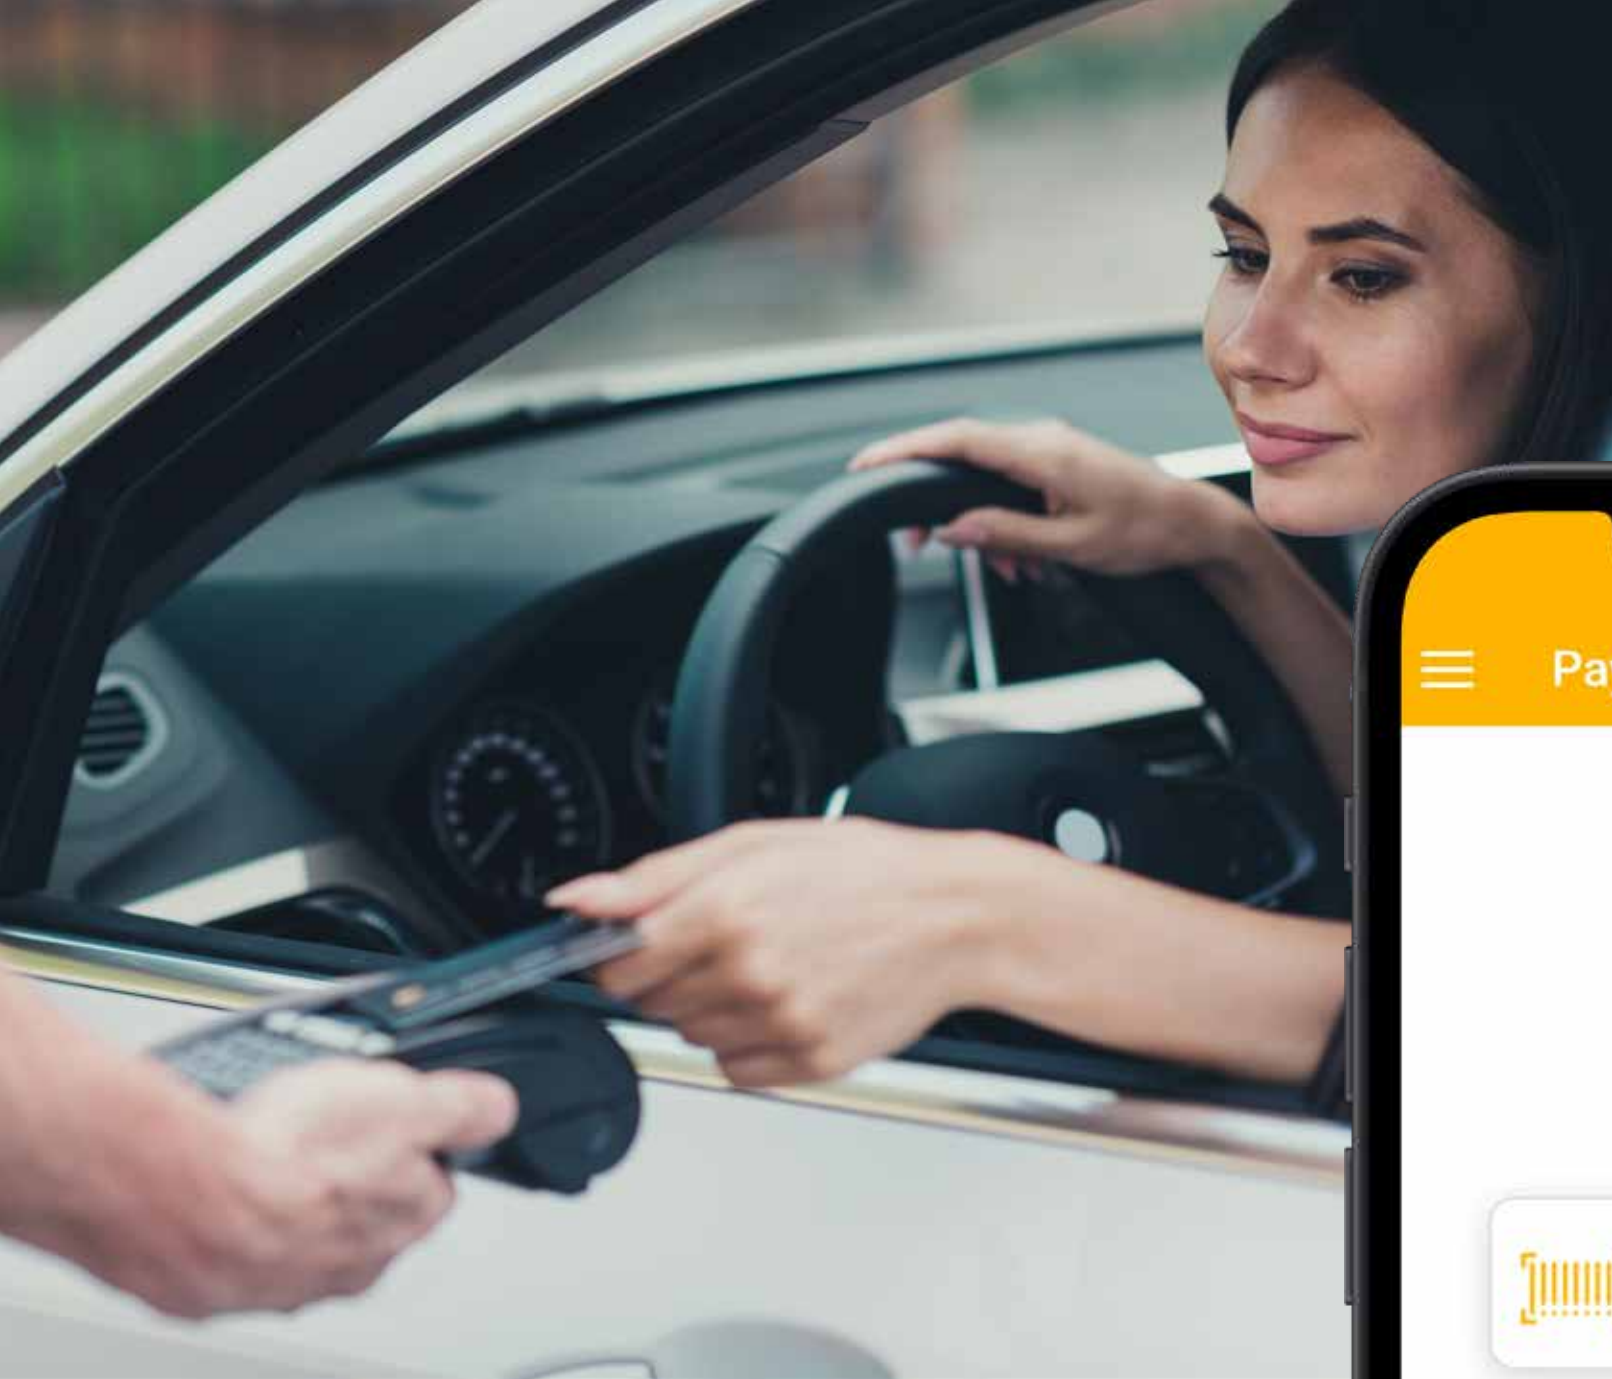

/ Payment on site

# HOW IT WORKS

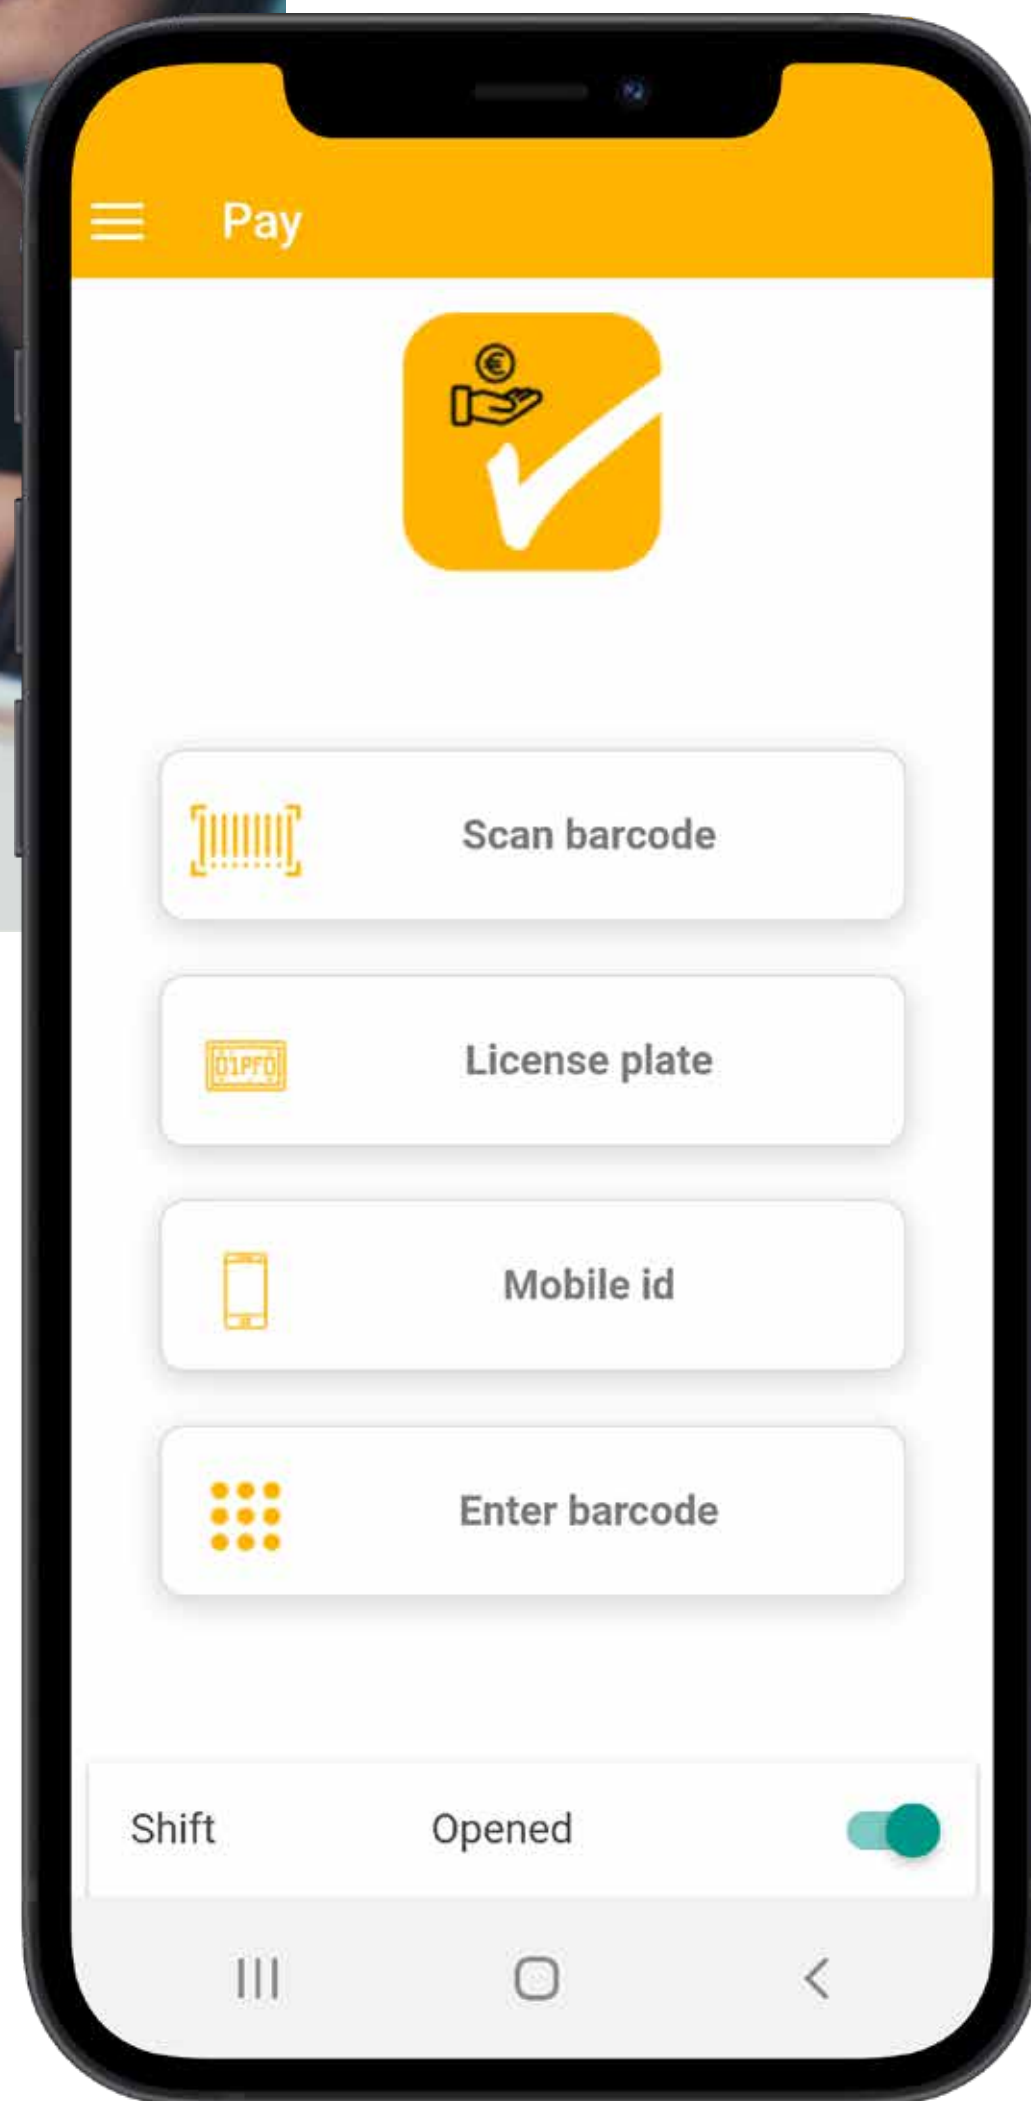

Pairing with a SumUp<sup>1</sup> terminal, entervo smart cashier accepts fully integrated payment. Customers pay with bank card or credit card on site. **Secure payment on the spot!**

entervo smart cashier provides you with a detailed overview of all transactions. The app's receipt module is easy to use. Your customer needs a receipt? No problem, simply use the (re)-print function. **Simple and fast.**

Ticket information is either captured easily by scanning the barcode ticket or entering the license plate number. Customers pay on site by bank card, or credit card or cash. No more queuing at exits. **Flexible and secure.**

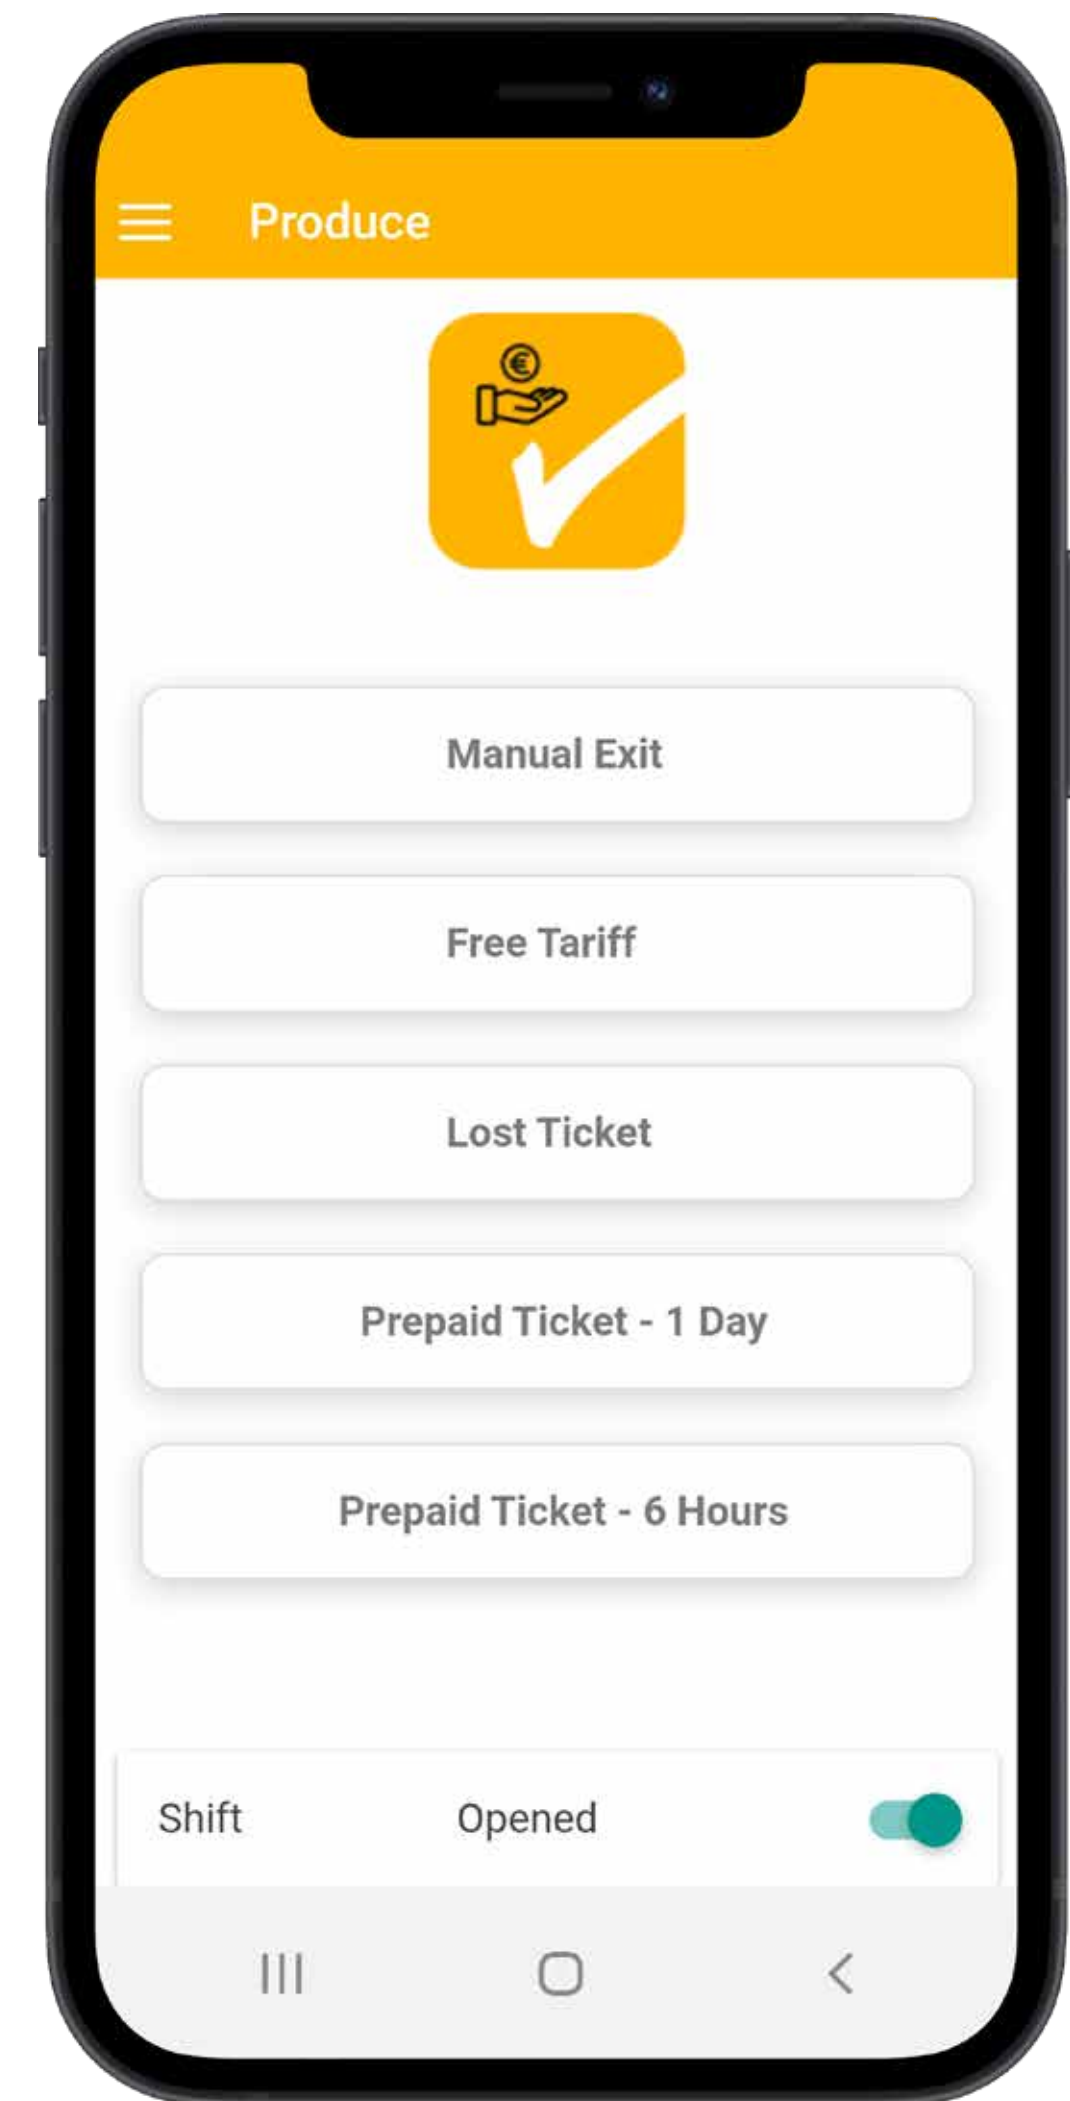

/ In-app payment  
**SAFE &  
SMART**

entervo smart cashier is convenient. Operators benefit from the connection to a wide range of entervo functionalities.

For example: a lost ticket can immediately be reprinted as a substitute QR code ticket by a Bluetooth connected printer.

**Smart and mobile.**
